

## TECHNICIANS

S.No.	Post	Qualification and Experience
1	Technician - Air-Conditioning and Refrigeration	<ul style="list-style-type: none"> <li>• ITI certificate in RAC, preferably diploma in Mechanical engineering and advance certificate in RAC.</li> <li>• Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery.</li> </ul>
2	Technician - Automotive Technology	<ul style="list-style-type: none"> <li>• ITI certificate in MMV/DM trades, preferably Diploma in Mechanical/Automobile engineering.</li> <li>• Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery.</li> </ul>
3	Technician - Electrical Technology	<ul style="list-style-type: none"> <li>• ITI Certificate in electrician trade, preferably having diploma in Electrical engineering.</li> <li>• Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery.</li> </ul>
4	Technician - Electronics	<ul style="list-style-type: none"> <li>• ITI certificate in Instrument Mechanic/Electronic Mechanic, preferably Diploma in lectrical/Electronics/Computer/IT Engineering.</li> <li>• Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery.</li> </ul>
5	Technician - Mechanical and Electrical Services	<ul style="list-style-type: none"> <li>• ITI certificate in Electrician/Fitter/Machinist trade, preferably having Diploma in Mechanical/Electrical engineering.</li> <li>• Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery.</li> </ul>
6	Technician - Mechanical Technology	<ul style="list-style-type: none"> <li>• ITI certificate in Fitter/Machinist/Welder trade, preferably having Diploma in Mechanical engineering.</li> <li>• Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry</li> </ul>

		shop floor work experience in maintenance and operations of equipment/machinery.
7	Technician - Mechatronics	ITI Certificate in Instrument Mechanic/Electronic Mechanic, preferably Diploma in Electrical/Electronics/Mechanical Engineering. Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery.
8	Technician - Networking and Systems Administration	ITI certificate in CNHM trade, preferably having diploma in Computer/IT engineering or equivalent. Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery.
9	Technician - Precision Engineering	ITI certificate in Fitter/Machinist/Turner trade, preferably having Diploma in Mechanical engineering. Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery.
